68th Annual National Conference of Indian Society of Anaesthesiologists (ISACON 2021)
is now a Hybrid Conference

**Dear ISAians,
Greetings from ISA National Head Quarters!**

Due to the ongoing COVID Pandemic, Indian Society of Anaesthesiologists (ISA) National has decided that the 68th Annual National Conference of Indian Society of Anaesthesiologists at Ahmedabad, Gujarat, India, 24-28 November 2021 will be a hybrid conference. This hybrid model will offer an engaging and exciting experience, both for the delegates who are able to join us in Ahmedabad and those who attend online. With the availability of a virtual option of attending the 68th ISACON 2021, the members can listen to a galaxy of speakers, present their scientific work and compete in award categories, without travelling. For those who are able to travel to Gujarat, the Organizing Committee has made all necessary arrangements as per COVID protocols. This modification in the conduct of ISACON has been done after taking inputs from the Organizing Committee of ISACON, Office Bearers of ISA Branches, Past Office Bearers, Members and detailed discussions amongst ISA National Governing Council Members.

There is a token registration fees for the online event. The members can convert from physical to the online event and vice versa. The delegates who are not able to join in any format can request a refund from the organizing committee. Please check www.isacon2020.com for further updates.

Humble Thanks for your continued support to ISA during these unprecedented and compelling circumstances.

**Work Safely and Survive.
Jai ISA!
Jai ISAian!**

Dr. Muralidhar Joshi
President
Indian Society of Anaesthesiologists
