To
The President and Secretary,
ISA State and City Branches.

Subject: ISA endorses and supports the protest by IMA for withdrawal of CCIM notification allowing Ayurveda doctors to practice modern surgical procedures, and also NITI Aayog committees for integration of all systems of medicine.

Dear ISAians,
Greetings from ISA National Head Quarters!

Indian Society of Anaesthesiologists (ISA) strongly endorses and supports the protest by Indian Medical Association (IMA) for withdrawal of CCIM notification allowing Ayurveda surgery post graduates to learn and practice modern surgical procedures and techniques.

Indian Society of Anaesthesiologists strongly opposes administration of Anaesthesia by the Ayurveda Doctors and the course of MD (Ayd) Anaesthesia & Diploma (Ayd) Anaesthesia. Such practice and courses (Ayurveda) in the highly specialized and skilful field of Anaesthesiology is against the basic human right of safe anaesthesia.

ISA also supports IMA in the protest against the NITI Aayog committees on medical education, practice, public health administration and research to officially mix all systems of medicine.

All the members of Indian Society of Anaesthesiologists are requested to support Indian Medical Association in this protest at City, State and National Level.

Thank You.
Best wishes and regards,

Dr. Muralidhar Joshi
