

Applications Open: WFSA/IASP 2020/2021 Pain Management Fellowship, Bangkok, Thailand

Applications are now invited for two 1 year fellowships in Pain Management at the Faculty of Medicine, Siriraj Hospital in 2020/2021.

Fellowship Details

The successful applicants will receive funding to cover tuition, accommodation, flights and subsistence living expenses provided by the WFSA & IASP. The fellowship will begin on the 1st August 2020 and will run until 31st July 2021. The fellowship is 12 months in order to ensure the trainee has knowledge and skill in pain management and is able to perform useful procedures and techniques.

The fellowship accepts 2 doctors to undergo the fellowship in Pain Management each year. The fellowships are applicable for Southeast Asian countries (ASEAN + Mongolia are the priority targets for this programme).

Application Process

Application deadline: 27th December 2019

All applications will be considered at the Hospital Board Committee meeting. Successful candidates will be informed by the end of March 2020.

Further information about the fellowship and how to apply can be found [here](#).
