ISA Sports Club, Intercity GSB Cricket Tournament, First Time Ever in ISA. Thanks to Dr. Bhadresh Shah and Members of GSB, for the wonderfully organised First ever Inter-city Cricket Tournament, at State Level, in the history of ISA. Thanks to Dr. Rasesh Diwan sir for the wonderful and historic event. Had a meeting with Office Bearers of all City Branches of ISA Gujarat, Dr. M.T.Bhatia. Also met our anaesthesiologist colleague who was abducted and expressed solidarity.
6. College of Anaesthesiologists & Intensivists of Sri Lanka Congress, Colombo Date: 16- 19/01/2020.

Met Dr Ravi Mahajan, President, Royal College of Anaesthetists, Dr Jannicke Mellin-Olsen, President World Federation of Societies of Anaesthesiologists (WFSA), Prof. Adrian W Gleb, Secretary WFSA, Dr Wayne Morriss, Director of Programmes, WFSA.

7. Also attended the SAARC-AA Meeting at Colombo. Representatives from India, Sri Lanka, Pakistan, Nepal & Bangladesh attended. SAAC AA 2019 was held in Lahore in October and Pakistan President has taken over as President SAARC AA.
8. The Secretary could not attend the West Zone PG Assembly at Kolhapur which was on the same dates. ISA was represented by Dr. Ashok Deshpande, GC Member and he supervised the whole event very nicely.
9. ISACON Scientific Committee Meeting was held at Ahmedabad on 26 Jan 2020.
10. ISA East Zone PG Assembly at Patna: First ever in state of Bihar. ISA Academics - New Horizons. 01/02/2020 as Chief Guest and Speaker. Dr Manoj Kumar deserves accolades for organizing this event.
11. ISACON NORTH ZONE, Amritsar 15-16 February 2020. The President ISA National was the Chief Guest of the Inauguration of Workshops. ISA Fit Anaesthesiologist Campaign - Cycling by Anaesthesiologists: Inauguration By Dr SS Bajwa, GC Coordinator, ISA Fit Anaesthesiologist Campaign. It was very nicely conducted and generated enthusiasm. Flag Hoisting & Inaugural Ceremony, Chief Guest President ISA National. ISA Cultural Club performance by females, ISA Neon Fellowships Exam (Zonal) conducted for the first time. ISA Sponsored CMEs and NZ PG Assembly were allotted.
12. Missed ISA Sponsored CME cum Workshop at Bareilly, Uttar Pradesh (17 Feb 2020) as on the same dates. Dr Bharat Bhushan Bhardwaj very nicely supervised the ISA Sponsored CME.
13. Dr Venkatagiri KM represented ISA at OMAG meeting at Gurugram on 17 Feb 2020 as a part of ISA advocacy program.
14. Inauguration of Bhilwara (Rajasthan) City Branch of ISA & Installation of Office Bearers was done on 23 February by The Vice President and Secretary. Dr Suresh Kumar Bhargava, Vice President ISA National personally supervised and guided the entire program.
15. The Secretary missed the South Zone PG Assembly at Coimbatore held on same dates 22-23 February

2020. ISA was represented by Dr J Balavenkatasubramanian and Dr S C Gnaesh Prabhu represented ISA in the event and supervised the event.

16. ISA Sponsored CME, Delhi 29 February. Interesting Topics, Excellent Speakers, Innovative Kaun Banega Anaesthesiology Wizard (Quiz on pattern of KBC). After a decade, an ISA sponsored event in Delhi occurred. Dr Rajiv Gupta deserves special accolades for the same.
17. The Secretary missed the ISA Sponsored CME, Calicut 28-29 Feb 2020 as it was on same dates. The CME was focused on Practitioners and PG students. The President, President Elect & Immediate Past President attended the event.
18. As a part of ISA Advocacy Program, The Secretary attended the meeting of Indian Confederation for Healthcare Accreditation, 1 March 2020, Delhi. Felicitations (Medal) received on behalf of Indian Society of Anaesthesiologists by Indian Confederation for Healthcare Accreditation. Dr B Radhakrishnan was also felicitated on the occasion. The Secretary was accompanied by Dr Virendra Sharma and Dr Rajiv Gupta.
19. Inauguration of ISA Krishnagiri & Hosur City Branch, Tamil Nadu. Branch was done by the Secretary on 7/03/2020. The new City Branch launched members directory,, invited all other surgical specialties office bearers also on the occasion.
20. The Secretary attended ISA Sponsored CME & Workshop, Madurai on 8/03/2020. It was a good academic interaction. Many past and present ISA Office Bearers were present. The President was the Chief Guest. Dr SC Ganesh Prabhu nicely arranged the CME & Workshops.

The whole Governing Council has been working as a Team. As shown by the above events.

After Holi, The Government has increased the restrictions on travelling and number of people gathering together. ISA National had to postpone CZ PG Assembly, Lucknow; ISA Sponsored CMEs at Karad, Rishikesh & Aurangabad. ISA had to cancel the First Regular GC Meeting at Shillong which was scheduled to be held on 28-29 March 2020. ISA also had to postpone the visit of President, Secretary and Treasurer to Chennai on 23 March 2020 for the registry of ISA Registered Office. It proved to be a correct decision as Nation wide Complete Lockdown was announced on the same day.

During COVID Pandemic Following activities were done by ISA National

10. FNB PAIN MEDICINE

With profound pleasure it is informed that National Board of Examinations has approved the Two

Years Dedicated Fellowship Programme in Pain Medicine (FNB Pain Medicine). NBE deserves highest accolades for the same. The Secretary was personally involved in this being Convener of Specialist Board of NBE including writing the Curriculum, syllabus, eligibility, staffing, manpower, clinical load, etc. This has been tried since two decades but the dream has become reality now. Heartiest congratulations to TEAM ISA for the efforts in starting this course.

The specialty of Pain Medicine can now establish firmly in all institutes- Government Medical Colleges, Deemed Universities, Corporate Hospitals, Multi-speciality Hospitals and the like. This is a milestone step which has been successful with cooperation and support of all. It has been done to serve the chronic pain patients in particular and the public at large. Profound thanks to Our TEAM Members who strongly supported this FNB Pain Medicine Program. The applications for next accreditation are scheduled to open in July/August 2020. All those interested are strongly advised to apply for the same. Visit https://accr.natboard.edu.in/online_user/frontpage.php for details.

11. ISA Social Outreach Program:

It was a success with lots of entries and the Jury Comprising of Dr Suresh Kumar Bhargava, Vice President; Dr Virendra Sharma, Treasurer; Dr . Ashok Deshpande, GC Member and Dr Surajit Giri, GC member are working over time to decide the winners.

12. On 5 June, All ISAians were actively involved in “Plant a Plant today, have a Garden on its birthday.”

This was an individual non-competitive activity and no group activity was done due to social restrictions.

I am happy to share that even in lock down the membership has not stopped, though it has decreased by 30 % as compared to previous year. This is primarily due to increase in membership fees from 7500 to 8500 INR last year and early bird rate of ISACON 2019 regd during the same dates.

ISA Membership drive started on 1/1/2020 served as a boon during the lockdown period. ISAA Office staff is collected the data of around 750 members whose membership was pending. If Proposer

and seconder are not available, then Secretary and one more from Rohtak do the needful. Those who have not attached certificates are being contacted by e- mail, what's app, sms and mobile phone. Calling is done between 11AM to 2PM. Elder anaesthesiologists are helped by office staff in filling membership form.

13. ISA VIGIL Activities

- a. **Ahmednagar:** Private Practitioners were asked to do petty things, like RT insertion in garb of ICU duties. Letter drafted by ISA NHQ and sent by PPs to Collector. It was decided that anaesthesiologists will do ICU work as clinical specialists only.
- b. **Mumbai:** Post Graduates were not relieved. Those who were relieved were asked to join back. Threat of Police action. Letter Drafted and sent to Hospital authorities by students. Dr J V Divatia also helped and played active role.
- c. **Dehradun:** One ISA Member who turned COVID positive, her home was barricaded up to 8 feet with no exit gate. ISA NHQ wrote /tweeted to CM, Collector, IGP Uttarakhand. Dr Bharat Bhushan Bhardwaj also helped.
- d. **NITI Aayog:** Chairman in a meeting said that Anaesthesia can be administered by even Non MBBS what to talk of MD specialists. ISA NHQ took strong exception to this statement and wrote strong letter to NITI Aayog. The reply was that this is not official statement and please do not believe social media statements. IMA also helped and supported on this issue.

14. ISA Endorsed Insurance Schemes

ISA has endorsed following insurance schemes as it's welfare duties towards its members. The intermediary is COVER YOU and the insurer is ICICI Lombard for first two and Go Digit for COVID Death Policy.

SEC/ ISA NHQ/ RTK/ 2020/ 595

Dated: 14-09-2020

IMPORTANT
RESCHEDULING OF ALL THE EVENTS OF
INDIAN SOCIETY OF ANAESTHESIOLOGISTS (ISA)

Dear ISAIans,
Greetings from ISA National Head Quarters!

The COVID pandemic has affected the world including India. The Anaesthesiologists are at forefront in the management of COVID patients. It is estimated that out of total number of doctors involved in intensive care management of such patients in Intensive Care Units across India, 60-70% are anaesthesiologists. They are working day and night in this pandemic. The COVID pandemic has also lead to restrictions in travelling and physical gathering.

Hence, The Governing Council of Indian Society of Anaesthesiologists has decided to reschedule its 68th Annual Conference to be held in Ahmedabad in November 2020 to November 2021. This has been done in view of safety and health of its members; their preoccupation with clinical duties and in line with advisories from different government agencies. Many other societies of other medical specialties have also done the same.

According to the constitution of ISA, The Annual General Body Meeting of Indian Society of Anaesthesiologists (ISA) is held during the annual conference and change of office bearers takes place during the AGBM. Due to the ongoing COVID pandemic, compelling and exceptional circumstances, The Governing Council of ISA has unanimously decided to reschedule all the events of ISA to be held in the year 2020 to 2021 and those to be held in year 2021 to 2022, like- The Annual National Conference of ISA of 2020 will be held in 2021 and that of 2021 in 2022. The Notification of ISA National Elections, Vacancies in ISA National Governing Council and Online ISA National elections of 2020 will occur in 2021 and that of 2021 in 2022. The Awards, Orations, Prizes etc of ISA of 2020 will be held in 2021 and that of 2021 in 2022.

P 1 /2 contd...

The year 2020 will not be counted in the term of Governing Council for all intents and purpose due to ongoing COVID pandemic and the preoccupation of anaesthesiologists with management of COVID patients. However, the Governing Council of ISA will strive to work to fulfill its obligations pertaining to the members and the association. A Special AGBM may be held online to pass accounts only, as it is a time bound agenda. However, this is one time, one year extension of term. This decision of Governing Council will not be reviewed and extension of term by one year to all Governing Council

Members is irrevocable. If the pandemic continues in 2021 and beyond, Online ISA Elections and Virtual/ Online hand over and takeover of Governing Council / Office Bearers will be done, Online Awards/ Orations will be held, Online ISACON, and all official activities of ISA will be held online. Long Live ISA!

Jai ISAian!

Best wishes and regards,

Humble Thanks to The ISA Governing Council andg with State & City Office Bearers. Under The ISA Logo blessings at back and Lord Ganesha and Maa Vaishno Devi in front, and with your good wishes and support, Your Secretary is working hard to serve our parent body – The Indian Society of Anaesthesiologists.

**Jai ISA !
Jai ISAian !
Jai Hind !!**

**Dr. Naveen Malhotra
Honorary Secretary
Indian Society of Anaesthesiologists (National)**

Dr Mahesh Sinha enquired about renaming of Anaesthesiology to Anaesthesiology & Critical Care. It was replied it is being pursued at different levels but not with success. He also enquired about the branch office bearers being updated in ISA website. It was replied that the same has been instructed in the State and City branch office bearers meeting to send the latest list for updation in ISA records within 15 days. The issue of some deceased members in voting list has been resolved. He also enquired whether AGBM time has been shortened. It was replied that AGBM time has been rescheduled according to ISACON Timings. ISACON 2021 is starting at 11AM instead of 9 AM, so the AGBM is starting at 4 PM instead of 2 PM.

The Secretary's Report was unanimously approved by the AGBM with applause, proposed by Dr Sunil Sethi and seconded by Dr Rajiv Gupta.

8. **IRC:** Heartiest congratulations to Team IRC led by Dr SSC Chakra Rao, nice activities going on in pandemic also. Following activities deserve special mention: COVID guidelines New guidelines, revision of guidelines, ILCOR Membership, ILCOR Task Force nomination of Dr Rakesh Garg, IMA Task Force on resuscitation and other activities are going on nicely.
9. **FBF:** Good activities going on in ISA FBF. The ISA Governing Council has conferred ISA Presidential Appreciation Award to both Dr SC Parakh and Dr Sugu Varghese.

Dr R.C. Agrawal highlighted the points raised during Past Presidents meeting with ISA Governing Council. The President replied all concerns raised have been informed to President ISA FBF and it is hoped that the needful will be done by ISA FBF after following due procedure.

Dr B. Radhakrishnan raised the point that constitution of ISAFBF needs to be reviewed and brought under ISA National. Last year there was an incident, this year also an incident has occurred. A senior member's family has not been paid after his death. The member may have failed to pay some due to technical reasons. The State and City branch office bearers should be informed about the pending dues from members in their branch.

Dr J Ranganathan said that ISA FBF is a separate registered body. ISA can recommend and suggest something to ISAFBF but cannot order.

Dr Virendra Sharma asked that ISA AGBM should pass a resolution that the decision of ISA AGBM shall be binding on ISAFBF.

Dr Asit Vaishnav said that ISA AGBM cannot order ISA FBF as all ISA Members are not members of ISAFBF.

Dr M.T. Bhatia said if a member does not pay dues, the city branch office bearers should be informed and there should be relief of 3 years. The City branch can pay the default amount.

Dr SSC Chakra Rao said it is not feasible as then no members will pay dues for 3 yaers. ISA AGBM can only recommend or suggest but cannot direct ISAFBF as all ISA Members are not members of ISAFBF. Will ICA listen to resolutions passed in ISA AGBM ?

Dr RC Agrawal said whatever resolution is passed by ISA AGBM should be binding on ISAFBF and that should be honored as all ISAFBF members are ISA Members.

Dr Bharat Bhushan Bhardwaj said that whatever ISA AGBM decides it can go as advisory to ISAFBF.

Dr J.V.Divatia asked whether any ISA Office Bearer or GC Members are on board ISAFBF Office. The President and Secretary of ISA should be in the office position of ISAFBF. The President ISA can be president of ISAFBF.

Dr. M.V. Bhimeshwar said whatever terminal benefit is due towards the family of deceased member, from that default amount can be deducted and rest paid to the family.

Dr Sriganesh expressed in chat box that if ISA has no say on ISA FBF, then you cannot force ISA Office Bearers to become members of ISA FBF.

Dr Virendra Sharma said that a constitutional amendment is proposed about mandatory ISAFBF membership before taking over as State and city branch office bearers. If ISA has no say over ISA FBF then members are objecting and will object to the proposed amendment.

Dr B Radhakrishnan said that default money can be paid by state / city branch but money should be paid to family in the deceased member. There needs to change in ISA FBF constitution.

Dr Virendra Sharma said that ISA National has asked ISA FBF to amend FBF constitution two

years ago to include ISA President and Governing Council in the decision making position, but nothing has been done so far.

The Secretary said in an online meeting with Dr SC Parakh and Dr Sugu Varghese with ISA National President and Secretary, it was asked to amend the constitution of ISA FBF to involve ISA National President and Governing Council in the decision making process of ISA FBF. There is no communication till now that the amendments have been discussed or approved in the ISAFBF GC or GBM.

Dr Kapil Singhal, NOIDA said that in the branch state and city meeting with ISA National GC, we were informed that it will be henceforth mandatory to be ISAFBF member before taking over as state and city branch office bearer position, then ISAFBF should be under control of ISA.

Dr Rajan, Gujarat said that a registered letter should be sent to the defaulters that there membership will be suspended, if dues are not paid within one year.

Dr Rajiv Gupta, Delhi said information should be conveyed to state or city branch office bearers about the defaulters.

Dr Asit Vaishnav was addressing the chair, when the Secretary said that it is a social welfare scheme and in the eventuality of death of member who has defaulted, an amicable mechanism should be developed by ISA FBF to pay the dues to deceased member's family. The second issue is whether ISA AGBM has a legal right to suggest to ISAFBF. The President said that if ISAFBF wants ISA to promote ISA FBF, then it has to listen to ISA. Rather than telling why the money cannot be paid, ISA FBF should find how the money can be paid to the deceased member's family. ISA Members have to be protected. The ISAFBF Governing Council should develop the mechanism.

Dr Asit Vaishnav said that ISAFBF is informing that we are informing defaulters.

Brig T Prabhakar, inform the state / city branch at the first instance of default.

Dr RC Agrawal said that it is a matter of concern that ISA has no legal control over ISAFBF. ISA should protect ISA Members.

Dr Venkatagiri KM said that the defaulters list is sent to office bearers of state and city members. Registered letter is sent to the member for three years before suspending the membership. A recent proposal is to send notice to the nominee also. Anybody can verify records of ISAFBF.

Dr RC Agrawal requested not to dilute the matter into the technicalities.

The President ruled that ISA National will write a letter to ISA FBF that there needs to be a change in ISA FBF constitution to include ISA National Office Bearers and Governing Council into the decision making position; and ISA FBF should come out with the mechanism on how the money can be paid to the deceased member's family.

Dr Asit Vaishnav said that Dr Sugu Varghese should be allowed to speak virtually. The President said that there will be no more discussions on this matter, the matter stands closed and President has made a ruling on it.

10. ISA Programs

All ISA Programs are functioning vibrantly at all levels.

11. ISA State and City Branch Elections 2021

Conducted across all the branches from 16-20 July 2021 for the first time in history of ISA.

12. ISA Online National Elections 2021

Conducted successfully from 1-5 November 2021 in a free, fair and smooth manner.

13. ISACON 2017

Contribution of INR 5 lacs received from ISA West Bengal State Branch. Till now contribution received 15 lacs INR as per commitment. Balance contribution is 5 lacs INR which has to be

paid till November 2022.

Dr Anjan Dutta enquired whether the audited statement of ISACON 2017 has been submitted by the Organizing Committee.

The Secretary said that the audited statement passed by City and State Branch has not been received by ISA National. However, total contribution of 15 lacs has been received. The intent of ISA West Bengal State Branch is to settle the issue amicably by November 2022.

14. ISACON 2019

A total contribution of INR 20 lacs has been received from ISACON 2019. Audited Report has been submitted to the Governing Council and has been approved.

15. SAAC AA 2022

Due to COVID pandemic, it has been deferred from 2021 and now will be conducted in August 2022. The deferment has been due to COVID Pandemic.

The MOU is to be signed between the Organising Committee with ISA National and bank account has yet to be opened.

Dr B. Radhakrishnan said what are the dates and whether local organizing committee has agreed to the dates.

The Secretary informed that earlier the dates proposed by local Organizing Committee were in May 2022 which were approved by the ISA Governing Council. The Org Committee of Cochin subsequently requested to change the dates to 12-14 August 2022, which the ISA Governing Council has accepted. The ISA National wants to calm the ruffled feathers of ISA Kerala and will extend all possible cooperation to ISA Cochin and Kerala.

16. ISA Platinum Jubilee Celebrations and Logo

They will be held at all branch level involving all ISA Programs, throughout the year. The logo has been released during Inaugural Ceremony of ISACON 2021.

Activities under the banner of ISA of all ISA programs will be conducted by ISA National and the city/ metro and state branches of ISA throughout the year. ISA National will support the branches technically and financially.

Dr MT Bhatia asked for support for ISA Ahmedabad City and ISA Gujarat State.

Dr B Radhakrishnan said there should be prototype format of celebrations for city and state branches.

Dr Virendra Sharma said ISA Platinum Jubilee Medallion will be given by ISA National to the City and State branches for all the activities under all ISA programs.

Dr V Kuchela Babu said we should conduct Public Awareness Program, like exhibitions, TV interviews, call the politicians, etc.

Dr Das Gupta said that ISA has numerous activities, celebrate them especially the academics. Many ISA branches are self-sufficient and ISA National should support only as a big brother.

Dr RC Agrwal said that programs should be chalked about at city and state level.

Dr B Radhakrishnan said we should on conducting workshops uniformly across the branches.

Dr S Bala Bhaskar said we should conduct IRC activities as a part of Platinum Jubilee

Celebrations and also conduct Essay Competitions.

17.ISA National Registry on ISA APP

The ISA NR on ISA APP has been released during inaugural ceremony of ISACON 2021. It will help in compiling the data across the country and ISA can project the work done in India.

18.ISA Virtual Museum

ISA Virtual Museum will be hosted on ISA Website, to showcase the history, journey and future of anaesthesia.

19.ISA Skill Centres

ISA Skill Centres will be established across the country.

The Secretary said ISA Skill Centres will be set up and they will also be part of Platinum Jubilee Celebrations. There has been demand from members that they need these skill centres to learn/ enhance / refresh their skills. The hospitals who are willing to set up will be accredited and endorsed by ISA.

Dr B Radhakrishnan said we should n focus on skill enhancement and workshops, conduct them uniformly across the branches.

Dr PF Kotur said that we can also take help of Skill Labs set up in the institutes, if they permit.

Dr Das Gupta said we should set up skill centres and enhance the skills of the members.

20.ISA Neon Inland Fellowships

An online exam for all Post Graduates on ISA App shortly.

Inland fellowship is for ALM only. This year, due to COVID pandemic, international fellowship is not feasible. Being online it will increase participation and it will be open to all the eligible candidates, whether they have attended ISACON or not. In the exam held during the conference, there are around 200 participants. ISA Online PG Quiz has shown tremendous

participation as it was online. More than 2000 ALMs participated.

21. ISA Physical Status Grading

ASA Physical Status Grading has been followed so far. However, it has been realized that the profile of Indian patients is different from patients of western countries. “ISA Physical Status Grading” is being developed focusing on health profile and diseases pertaining to India. The profile of Indian patients is different from patients of western countries. The grading will be formed by ISA National Secretariat. The Committee shall comprise of ISA Guidelines Committee Chairperson and members, Academicians and Clinicians of all ages (senior and junior) from all parts of India (especially focusing on different diseases, different co-morbidities and different climates of different parts of India). Dr Naveen Malhotra, Honorary Secretary ISA National will be the lead coordinator. The established procedure will be followed. This will be submitted to IJA for possible publication and will be widely circulated on all platforms of ISA.

22. Indian History of Anaesthesia

The residents are taught history of anaesthesia in the world. They do not know much about history of anaesthesia pertaining to India. A committee will be formed comprising of senior anaesthesiologists of India and ISA Officials to compile the history of anaesthesia in India and history of ISA & ISACON. This will be published in IJA and widely circulated on all platforms of ISA. It will be sent to authors of different books to include it as a dedicated chapter. ISA Secretariat may also publish a book on History of Anaesthesia in India, including history of ISA. Inventions /patents done by anaesthesiologists will also be incorporated. Inputs will be taken by the Secretariat from ISA members, all Past and Present ISA National / State/ City branch office bearers, Secretaries, Editors, including Dr VM Divekar, Dr V.M.Agnihotri, Dr Anjan Dutta, Dr T.C. Kriplani, Dr SC Parakh, Dr MV Bhimeshwar and more. Dr Ashok Deshpande volunteered to help in this agenda.

23. Global YUVACON (Virtual)

1st YUVA ISACON was successfully conducted last year. It encouraged and promoted young

anaesthesiologists of India. In the year 2022, Global YUVACON (Virtual) will be held with entries from all over the world. The young anaesthesiologists from different countries will be invited to present in 1st Global YUVACON 2021 of ISA.

24. ISA Registered Office in Chennai

Registration of sale deed has been done. Annual Maintenance charges have been paid. There has been delay due to COVID pandemic. The possession will be taken soon. MOU will be drafted and signed between ISA National and ISA Tamil Nadu & Chennai.

Discussed previously in Secretary's Report earlier also.

25. Attendance in ISA AGBM 2021

The 68th ISCON 2021 is the first of its kind hybrid National Conference of any national society. Since it is a hybrid conference the AGBM is also being held in hybrid manner. Those present physically in Ahmedabad can mark their attendance by signing in the register and those who are attending virtually will write their name, ISA number. Mobile number and email ID on the virtual platform as a mark of proof of the attendance.

AGENDA FOR CONSIDERATION

1. Treasurer Report & Budget

Dr Virendra Sharma, Treasurer presented the Treasurer Report. He informed that Audited report has been passed in the special GBM. I shall be presenting unaudited accounts from 1-4-2021 to 15-11-2021. ISA Membership is growing by around 2500 members per year. The Financial health of ISA is good, we have not refused any CME in last 3 years and at times sanctioned 2 PG assembly in one zone to promote academics. There is enough budget and lapsed budget also, so lots of events, CMEs etc can be done as a part of Platinum Jubilee Celebrations. During the pandemic, ISA supported by the Grant-in Aid and also financially supported the branches in conducting virtual events. It is proposed that on the inauguration of ISA Registered Office at Chennai, the air fare of ISA Past Presidents attending the inauguration to be borne by ISA National and local hospitality by ISA Tamil Nadu. It will

be befitting respect to the Past Presidents who have working towards it for years. I am thankful to President, who is past Treasurer himself and The President Elect who has been Secretary cum Treasurer on giving inputs and the current Secretary who has made efforts to markedly increase ISA membership per year. The unaudited accounts from 1-4-2021 to 15-11-2021 were presented as under:

Dr Das Gupta and Dr RC Agrawal asked about the provisions for CMEs. The Treasurer said ISA AGBM approves the budget for next year, and from the budgetary provisions payments are done.

Dr B Radhakrishnan enquired about exceeding budgetary provisions. The Treasurer said budgetary provisions are not exceeded.

Dr B Radhakrishnan also enquired about only 10 lacs provision for ISA Platinum Jubilee Celebrations. It is very less amount. The Treasurer replied that there is lapsed budget of previous years which shall be spent on ISA Platinum Jubilee Celebrations, there is sanctioned budget for other ISA activities and 10 lacs is additional sanction.

Dr B Radhakrishnan enquired about the budget and expenses towards ISA Registered Office. The Treasurer said that there is provision of 2 Crore as Building Fund. The payment done so far is around 1.61 Crore and pending amount will be paid at time of possession. Expenditure will also be done in furnishing and fixtures, inauguration, travel, legal expenses, etc.

Dr B Radhakrishnan enquired about the maintenance expenses will be paid by ISA Tamil Nadu. The Treasurer said that it will be as per the decision of ISA AGBM 2019. A MOU will be signed between ISA National and ISA Chennai & Tamil Nadu detailing about the contribution of State and City Branch and that of ISA National.

Dr B Radhakrishnan and Dr RC Agrawal said the platinum jubilee celebrations budget should be increased to 20-30 lacs.

Dr Das Gupta said we should use money judiciously.

Dr Das Gupta said that I congratulate the current ISA Governing Council and Office

Bearers. The President and Secretary spoke very nicely in the inaugural ceremony last day.

Dr Venkatagiri KM said we should have provision for ISA Scientific Software. We should promote IRC activities in schools and UG/PG Quiz at City Level. The budget for ISA Platinum Jubilee Celebrations should be 25 lacs.

The Secretary replied that ISACON 2021 Scientific Software has been tested and modified accordingly by Dr S Bala Bhaskar, Chairman ISA Academic Committee. It is being gifted to ISA National. Dr Rasesh Diwan said it is my honour to present the software to ISA National and it will be done after ISACON, with no financial implications on ISA National and it will be a property of ISA National.

Dr Bhimeshwar enquired about Legal expenses and IT case. The Treasurer said it was for the period of 2017-2018 and invited Dr Venkatagiri KM to reply. Dr Venkatagiri replied that the money has been spent on ISA I.Tax returns scrutiny. The pending IT case will be settled soon.

Dr Bhimeshwar also enquired about WFSA dues. It was replied that the rate and number is same as previous year and WFSA has not increased it due to COVID.

Dr Bhimeshwar enquired about ERTL certification expenses, it was replied that the same has been done on ERTL certification.

Dr Sandeep Sahu raised the issue of Hybrid provision of CME and Conferences in the constitution should be there. It will be highly economical to all members.

Dr JV Divatia enquired about the payables in the Platinum jubilee celebrations budget, it

was replied that the payables of last five years are part of ISA budget for Platinum Jubilee Celebrations.

The Secretary and Treasurer said that this is for the first time the house is asking to increase the budget of Platinum jubilee Celebrations. As per AGBM opinion, the budget will be increased, if need arises.

Dr P F Kotur enquired about IJA being self-sufficient or still it is dependent on ISA. The Secretary replied that in last year, 16 lacs INR was financial contribution from ISA to IJA. This year it was break-even with no financial support to ISA to IJA. Dr JV Divatia replied that the expenses were more due to GST, decreased advt, more number of pages, etc.

Dr S Bala Bhaskar said that IJA is ISA's journal and there are provisions for financial contribution from ISA and that the requirement has decreased over years.

The Treasurer Report was passed unanimously by the AGBM.

2. EDITOR'S REPORT

Dr S.S. Bajwa, Associate Editor-in-Chief IJA presented the Editor's Report on account of leave of absence of Dr Lalit Mehdiratta, Editor-in-Chief IJA.

Editor's report from March 2020 to November 2021

Editor in Chief IJA-

Greetings from the editorial office of IJA.

Introduction/Opening Remark

Here we are, from the lows of last 18 months to attending a first ever Hybrid National conference on a large scale. We salute the COVID warriors who have laid down their lives in saving the very existence of humanity

and other virtues of being a medical professional. This has still not ended but the time and the circumstances have taught us how to take an appropriate guard against such unexpected adversities. We feel proud that during these crisis hours, the flag of ISA and IJA remained flying high. The academic and research work never stopped rather it got more momentum and stimulation to carve out new academic frontiers to tackle the menace of COVID. In the background of these circumstances we feel immensely pleased in presenting the Editor's report from the period of March 2020 till November 2021.

“Work from Home” was the slogan but we did our best in maintaining the momentum and timely regularity of publishing IJA without compromising at any stage the quality of the scientific content.

Apart from publishing first ever COVID advisories in India, we were the first journal from India which published a full issue of all articles dedicated to COVID.

Database updation

Updating the reader's database is a continual process. We had tried our best to continually update the data of active members as well as new members. Journal is being circulated again in printed format since 1st September, 2020 (September Issue) as the postage services resumed after the declining of COVID impact.

Performance-2020

Till December 31st, 2020 we had received record 1604 articles starting from 1st January, 2020. Even the lockdown period may also be partly responsible for enhanced submissions. Out of these submitted articles 17% were accepted which is 2/3rd of the average acceptance rate of IJA (normally 23%-25%) over the last 10 years. This improvement in journal performance we achieved in spite of the web services being down due to outage for more than 15 days in December 2020 and later on malfunctioning of the submission site for almost 7-10 days. PG issue came online in January and the theme of the issue was “Anaesthesiology as a Career”. It was perceived well by one and all. It covered every sub and super specialty of Anaesthesiology and is a guide to our future young generation of budding anaesthesiologists as all the articles were written by the luminaries and the specialists of that particular stream.

Performance-2021

Till November 28th, 2021 we have received 1020 (251 in the older website and 769 in the newer website) articles starting from 1st January 2021. Out of these submitted articles 11% have been accepted. The most overwhelming fact is that we have received almost 400 plus original articles (both international and national) this time which is a good response to the popularity and prestige of the journal.

Days from Acceptance to Publication	41.97 [2 , 155]

We are really thankful to our efficient young editorial team for this improvement as they are working very enthusiastically and devoting good quality time to the journal.

As a team, we are striving very hard for the Medline indexing. However, we were let down a little by the COVID pandemic. But now we are again back on track and hope to possibly get Medline status by the mid of 2022.

We have been in touch with chief editors of various indexed journals and are planning for cross referencing and helping each other. Citation indices for 2020 were very encouraging as we achieved a projected impact factor of 1.14

More than 400 new reviewers have been added including young keen reviewers from June 2020 onwards. The larger database of reviewers will definitely popularise the journal and creation of a dynamic team of editor and reviewers for the future.

IJA/ISA's academic efforts

ISA and IJA went hands in hand in combating the COVID and resource deficiencies ever since the pandemic broke out. IJA has published four ISA advisories over the period of one year very much in anticipation of the COVID impact as well as the preparedness for dealing with after effects of COVID. These advisories have been very well appreciated even by the WFSA and have been highlighted on their website.

International Platform and Visibility

Dear Friends, as you all know, IJA is published monthly by Wolters Kluwer Medknow. We are happy to share with you that, from August 2021, our prestigious IJA is also being published on OVID and LWW (Lippincott Williams and Wilkins) research platforms. OVID is a part of the Wolters Kluwer group of companies. Like PubMed, it is a search system for MEDLINE database. It is a platform that provides access to online databases and academic journals. It hosts databases like MEDLINE. One of the advantages of using OVID is that the user is able to view several different databases with different disciplines using the similar interface.

LWW is an innovative publishing platform in addition to Medknow. LWW is an American imprint of the publishing conglomerate Wolters Kluwer. Wolters Kluwer publishes under this brand scientific, technical and medical content including textbooks and more than 275 scientific journals.

LWW claims 5 of the top 10 titles in Anaesthesiology and the publisher of highly ranked journals. It is a leading international publisher for health care professionals.

Prestigious journals available on journals.lww.com include European Journal of Anaesthesiology, Anesthesiology, Anesthesia and Analgesia.

Now we are sharing the same space and platform as had been occupied for long by all the above mentioned international anaesthesia journals.

Ranking and Academic Progress

Scimago Journal Ranking was out for 2020 2-3 months back and IJA has done a stupendous progress as it has achieved the world ranking of 42 as compared to 56 in 2019 for all the anaesthesiology and pain medicine journal.

Rank	Journal Name	Journal Type	Q2	2019	2018	2017	2016	2015	2014	2013	2012	2011	2010	2009	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997	1996	1995	1994	1993	1992	1991	1990	1989	1988	1987	1986	1985	1984	1983	1982	1981	1980	1979	1978	1977	1976	1975	1974	1973	1972	1971	1970	1969	1968	1967	1966	1965	1964	1963	1962	1961	1960	1959	1958	1957	1956	1955	1954	1953	1952	1951	1950	1949	1948	1947	1946	1945	1944	1943	1942	1941	1940	1939	1938	1937	1936	1935	1934	1933	1932	1931	1930	1929	1928	1927	1926	1925	1924	1923	1922	1921	1920	1919	1918	1917	1916	1915	1914	1913	1912	1911	1910	1909	1908	1907	1906	1905	1904	1903	1902	1901	1900	1899	1898	1897	1896	1895	1894	1893	1892	1891	1890	1889	1888	1887	1886	1885	1884	1883	1882	1881	1880	1879	1878	1877	1876	1875	1874	1873	1872	1871	1870	1869	1868	1867	1866	1865	1864	1863	1862	1861	1860	1859	1858	1857	1856	1855	1854	1853	1852	1851	1850	1849	1848	1847	1846	1845	1844	1843	1842	1841	1840	1839	1838	1837	1836	1835	1834	1833	1832	1831	1830	1829	1828	1827	1826	1825	1824	1823	1822	1821	1820	1819	1818	1817	1816	1815	1814	1813	1812	1811	1810	1809	1808	1807	1806	1805	1804	1803	1802	1801	1800	1799	1798	1797	1796	1795	1794	1793	1792	1791	1790	1789	1788	1787	1786	1785	1784	1783	1782	1781	1780	1779	1778	1777	1776	1775	1774	1773	1772	1771	1770	1769	1768	1767	1766	1765	1764	1763	1762	1761	1760	1759	1758	1757	1756	1755	1754	1753	1752	1751	1750	1749	1748	1747	1746	1745	1744	1743	1742	1741	1740	1739	1738	1737	1736	1735	1734	1733	1732	1731	1730	1729	1728	1727	1726	1725	1724	1723	1722	1721	1720	1719	1718	1717	1716	1715	1714	1713	1712	1711	1710	1709	1708	1707	1706	1705	1704	1703	1702	1701	1700	1699	1698	1697	1696	1695	1694	1693	1692	1691	1690	1689	1688	1687	1686	1685	1684	1683	1682	1681	1680	1679	1678	1677	1676	1675	1674	1673	1672	1671	1670	1669	1668	1667	1666	1665	1664	1663	1662	1661	1660	1659	1658	1657	1656	1655	1654	1653	1652	1651	1650	1649	1648	1647	1646	1645	1644	1643	1642	1641	1640	1639	1638	1637	1636	1635	1634	1633	1632	1631	1630	1629	1628	1627	1626	1625	1624	1623	1622	1621	1620	1619	1618	1617	1616	1615	1

[illegible]

We really thank our efficient young editorial team for this improvement as they are working very enthusiastically and devoting good quality time to the journal. Although newer website is full of technical problems and glitches but our team is so much dedicated that instead of getting frustrated they are helping the technical team in improving the website by sending them 4-5 mails every day. This shows their enthusiasm and commitment to academics in general and IJA work in particular.

Financial Health

When we took over the editorial office of IJA in April 2020, the burden of finances was immense as were in deficit to the tune of more than 16 lakh Rupees. At present we are able to self sustain the journal and are in surplus of 1.25 lakh Rupees. I will like to thank and appreciate my ISA GC colleagues also for the present positive financial health of IJA.

Future Plans

1. We are on track and hope to possibly apply for Medline status by the mid of year 2022.
2. The projected impact factor for 2020 was 1.14 and we hope and believe that for the year 2021 it will definitely be much higher than that.

In spite of all our plans and vision, we still expect good and practical suggestions from our ISA members and GC colleagues so as to make our own IJA more popular as well to achieve the highest quality of publications.

Humble Thanks

Our sincere thanks to President ISA, Vice President, President Elect, Honorary Secretary, Immediate Past President, Treasurer and other GC members and our editorial board members (Editors and reviewers) who have always been very helpful as this has made our job of handling the IJA very easy. Special thanks to our authors who have contributed quality articles to their own IJA in the last 2 years.

Last but not the least; we would like to convey special thanks to Mr Mubeen from Medknow.

Jai ISA

Jai Hind.

Dr Prithwis Bhattacharyya and Dr Diganta Das presented the tariff to the AGBM.

Dr Suresh Kumar Bhargava said it should be mentioned Dr Das Gupta said that every time request is made to increase the tariff by 10 %. It should be looked into it.

Dr Sandeep Sahu said that it is time to go for hybrid mode.

Brig Sreevastava said the contribution from ISACON to ISA should be looked into. It was replied that the contribution is same as in previous years.

The Regd tariff were approved by the AGBM. Proposed by Dr Bharat Bhushan Bhardwaj and seconded by Dr Rajiv Gupta.

5. ISACON 2023

Selection of Venue

It is the turn of North Zone. **Bid received from Gurugram, Haryana (North Zone).**

The Governing Council has approved Gurugram (Haryana) as venue of 70th ISACON 2023. There was a presentation made by the Organizing Committee of 70th ISACON 2023. There is ground on which structure will be constructed, with adjoining green land and parking. The capacity of venue for scientific halls, registration area, exhibition halls, dining area, etc was detailed. The accommodation, transport and connectivity are adequate. Recreational and tourist activities are appropriate. It will be a physical conference but the back-up plan due to pandemic will be there.

Gurgaon, Haryana was unanimously approved as the venue of 70th ISACON 2023 unanimously by the AGBM, proposed by Dr R.C.Agrawal and seconded by Dr M.T.Bhatia.

6. New Award / Competition

In name of Dr S.M.Basu by friends of Dr Basu, contribution of 5 lacs towards the award was approved unanimously by the AGBM. Details of the award will be worked out by the Governing Council and it will start from 2022.

7. Constitutional Amendments

Change in Elections Rules

Addition in eligibility criteria: FBF Membership mandatory for filing nomination

Article 7: Elections

Add Point 8

The contestants, who are aged less than 60 years, for any post in ISA National Governing Council and for the posts of President, President Elect, Vice President, Secretary, Treasurer, Editor-in-Chief in ISA State Branches and President & Secretary in ISA City Branches must be ISA Family Benevolent Fund Member / has applied for ISA FBF membership at the time

of filing of nomination (documentary proof of depositing ISA FBF Membership Fees to be attached).

This agenda was not taken up, resultant to objections by Members in the AGBM during discussions on FBF agenda. (As above)

8. Society of Defense Anaesthesiologists

Defense Service Anaesthesiologists (Army, Navy and Air Force) have requested to grant Defense Service Anaesthesiologists Forum the status of an ISA State Branch. There is a dedicated cadre of anaesthesiologists that is regularly transferred to different parts of country and thus does not belong to any particular state. In order to promote the ISA activities amongst Defense Service Anaesthesiologists, DSAISA has requested to be given status as a state branch with perks, facilities, rules and regulations, etc like other state branches of ISA.

Proposal: To begin with DSAISA will be a deemed state branch of ISA. Since it is a new branch, it's performance will be reviewed after sometime (five years). Since DSA do not belong to any zone and ISA National follows rotational Zonal Policy while inviting bids and awarding the ISA National Conference (ISACON), thus their application (if any) will be infructuous for all intents and purpose and they will not be eligible to bid for National ISACON.

It was unanimously approved by the AGBM. The contribution of Defence Services Anaesthesiologists was appreciated. It is an honour to honour them.

9. Travel Grant for Vice President ISA National

It is proposed that Vice President ISA National should be given a travel grant of 50,000 INR and complimentary registration with spouse for the ISACON when he/she is in chair.

It was unanimously approved by the AGBM.

Any Other Matter with the permission of Chair

Dr M.T. Bhatia said life membership of ISA should not be mandatory for virtual conferences of ISA.

Dr B Radhakrishnan said that we should explore options of organizing a virtual event of WFSA during platinum jubilee celebrations.

Dr. M Veresham, Hyderabad said that there is need to increase ISA Governing Council seats.

Dr Das Gupta congratulated the President, Secretary and all office bearers of ISA for good conduct of ISA AGBM and yesterday's Inaugural Ceremony. It was a pleasure listen to them.

The ISA Office Bearers thanked all for the kind words and good wishes.

The AGBM was adjourned at 8:30 PM of 27/11/2021.

The AGBM was reconvened on 28/11/2021 at 1PM, in Hall A.

The Declaration of Awards was done by Honorary Secretary (List Attached) and presented by ISA President and other Office Bearers of ISA Governing Council.

Two new ISA awards:

ISA Diligent Award

This award is for a diligent ISA workers at city / state level who put steady, earnest, energetic and painstaking work in the organizational issues of ISA. It will not cover academic achievements but the work done for strengthening ISA at ground level. The application will be recommended by the state or city branch office bearers and will be decided by the ISA Governing Council. There will be three prizes. It will carry certificate and medallion.

ISA Young Talent Award:

This award is for ISAians who are aged 40 Years or less, who are talented and do excellent work under any program of ISA. The application will be recommended by the state or city branch office bearers and will be decided by the ISA Governing Council. There will be three prizes. It will carry certificate and medallion.

These were unanimously approved by the AGBM.

Dr.J.Ranganathan felicitated ISA National President, Secretary & Treasurer with a shawl on getting the registration of sale deed done of ISA Registered Office at Chennai.

Installation of New Office Bearers and administration of Oath was done by the President

Dr.Venkatagiri KM, President

Dr. Anjali Rakesh Bhure, Vice-President

Dr M.V.Bhimeshwar, President Elect

Dr. Sunil Kumar Sethi, GC Member

Dr. Rekha Das, GC Member

Dr. Venkatagiri KM thanked all the members for reposing faith in him as President ISA National. First, let me thank you all for electing me to the highest post of the Society unopposed. This shows your faith in me and I consider this as your recognition for the work done during my term as Hon. Secretary of the Society. I am indebted to you and I will strive to fulfil your wishes and try to stand up to your expectations. ISA has more than 36,000 members now and is one of the most democratic Associations in the world. Otherwise, I who belong to a small town of 50,000 population and a city branch having less than 15 members would not have become President of the Society. I will lead the Society with the help of you all and the guidance of our seniors and experienced members and teachers. We can do a lot together and WE WILL DO IT TOGETHER.

I have some ideas in my mind for the progress of ISA and our members during this Platinum

Jubilee year, the Amruth Mahotsav year of ISA, which I want to implement with your concurrence and support and participation. Amongst them all, I have serious plans to address the issue of the financial status and remuneration for the Private Practitioners. ISA will also facilitate updating the knowledge of the private practitioners with focus on hands-on training on contemporary topics. Regarding ISA Family Benevolent Fund (FBF), let me restate that the scheme is focused for the financial well-being of the spouse & children of our young members, in the event of the members demise. It is for the benefit of the dependent spouse/ children when earning member is lost at an early age. Its utility for elderly members & their spouse /children is obviously less as they would be financially well settled. Hence, I appeal to members to understand the noble cause we are attending to and make best use of the Fund. The Conference of the Association of the member countries of the SAARC, the SAARC Association of Anaesthesiologists (SAARC AA), will be held after a gap of 3 years, and in India, after a 12 year gap. The Conference coincides with the ISA Amrut Mahotsav year, and I expect to be a grand event in God's own country, scheduled to be held from 12th to 14th August 2022. I invite you all to participate in this mega event. Further, the Amrut Mahotsav of ISA is planned to be celebrated in a grand style with ISA National supported activities in every City, Metro & State Branches. Along with the ISA activities, the Indian Resuscitation Council (IRC) activities will be clubbed so that the efforts of ISA and IRC to train our population in resuscitation gains further traction. The ISA Fellowships (Inland & International) will continue this year along the popular ISA sponsored educational activities such as CMEs, Workshops and PG Assemblies. Focussed online classes for small group training on clinical management; Quiz programs on a weekly basis in ISA website are some of the additional programmes planned. I also feel we should not neglect our families in the midst of our service and practice; family meets at National GC level and at all City & State branches for office bearers and members will be planned and encouraged as stress busters and also to socialise and strengthen our bonds. I will endeavour to see that guidance on Work Life Balance, Finance and Investment options for members (including alternate income sources), Legal advice and safe practice are all provided by ISA so that all of us lead a happy and safe Professional, Family and Social Life. The ISA National will make efforts to reach to the Government of India for institution of an Annual Award in the name of first lady anaesthesiologist of the world Rupa Bai Fundunjee for an eminent anaesthesiologist. And I request

all our members to participate in maximum strength in our own National Conference, the ISACON 2022 at Shillong, hopefully a physical meeting after the unfortunate nature -thrust, mainly online Conference during 2021. Before ending I request each & every member of City, Metro and State Branches to formulate some activities to observe Amruth Mohotsav in most befitting manner. Some suggestions by me are Pain free post op period, Creating awareness about our specialty and our work among patients and common public, Arranging CPR classes for students & public, Arranging family meeting at City level, Respecting at least one of your anaesthesia teacher on National Teachers Day, Gifting of books written by anaesthesiologists (anecdotes from OT or our work etc.) to others.

Long Live ISA!

The meeting ended with thanks to the Org Committee of 68th ISACON 2021, Ahmedabad, Gujarat and to all those present.

The ISA Flag was lowered and received by the Hon. Secretary ISA National.

Minutes video recorded and recorded by Dr S.S.Bajwa, GC Member and compiled by Dr. Naveen Malhotra, Honorary Secretary ISA National

Audit Report

I have audited the attached Balance Sheet of "Indian Society of Anaesthesiologists (ISA National)" at Rohtak as at 31.3.2022 and also the Income and Expenditure account for the year ended that date, which are in agreement with the books of accounts, which I have signed under reference to this report. The financial statements are the responsibility of the management of the Society. My responsibility is to express an opinion on these financial statements based on my audit.

I have conducted my audit in accordance with auditing standards generally accepted in India. Those standards require that I plan and perform the audit to obtain responsible assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for opinion.

I report that:

1. I have obtained all the information and explanations. Which, to the best of my knowledge and belief were necessary for the purpose of my audit.
2. In my opinion, proper books of accounts have been kept by the Society so far as appears from my examination of such books.
3. The Balance Sheet and Income and Expenditure account dealt with in this report are in agreement with the books of accounts.
4. In my opinion and to the best of my information and according to explanations given to me the said Balance Sheet and Income and Expenditure account, read with the notes thereon, give the information as required by the management in the manner so required and give a true and fair view:
 - a) In the case of Balance Sheet, of the state affairs of the Society as at 31.3.2022 and
 - b) In case of Income and Expenditure account, of the excess of Income over Expenditure of the Society for the year ended on that date.

7. Proposal for the increasing posts of ISA National Governing Council Members

Background

The Governing Council discussed the issue in detail. There have been continuous and persistence demand by the members that the number of ISA Governing Council Member seats should be increased to have wider representation and consequent to increasing membership of ISA. The strength has increased to around 39,000 members and in the last 7 years there has been no increase in seats

of ISA Governing Council Member. The Governing Council unanimously approved the proposal to increase the posts of ISA Governing Council Members. It was decided to increase the ISA National Governing Council seats from 3 to 6, 2 seats to be open every year.

8. Proposal of Social Code of Conduct for ISA National Elections

Background

There has been a consistent demand by ISA members that the campaigning on social and electronic media by the prospective candidates of ISA National Elections should not be done months before notification of ISA National Elections. At times, there has been only 2 to 3 months only that the current President has taken office and the next prospective candidate starts announcing their candidature on social and electronic media. The declaration of candidature by the prospective candidates of ISA National Election can be done on Social and Electronic media on 1st July onwards. The prospective candidates can send greetings/fliers/messages on social and electronic media in their names but without declaring their candidature. This social code of conduct shall be applicable to all prospective candidates. In case of violation they will be warned and advised twice for not doing the same. For subsequent violations, the matter will be referred to ISA National Governing Council for necessary action.

The campaigning should be stopped on 30th October 5 PM. After that only personal calls. There will be CV template for candidates and submitted CV shall be verified. It is retreated that the ISA National Office Bearers/ Governing Council Members cannot occupy positions in state and city branches. After occupying higher post, no person can occupy lower post. If this is done, then that person can never apply for any higher post.

No person can occupy two posts in any ISA Formation simultaneously.
