

HOW TO CAST THE VOTE

A step-by-step guide to the e-voting process.

Step 1 – Link via SMS

- ▶ The voting link will be sent via SMS to the registered mobile number from epolls.
- ▶ The voting link sent to each member is unique and non-transferable. Forwarding this link is strictly discouraged, as doing so will display the original recipient's registered details, not the details of the person who receives the forwarded link.

NOTE: 1) If you have not received the voting link, please visit the ISA website.

2) Please ensure you have a stable network connection to receive the SMS.

Step 2– Verification Page

- ▶ After clicking the link, the verification page will appear.
- ▶ Click on "Generate OTP Code" to proceed.

Step 3– Enter OTP

- ▶ An OTP will be sent via SMS from epolls.
- ▶ Enter it in the designated box and click "Submit".
