How to Cast Your Vote

4 steps · No app · Works on any phone or computer

1

Open Your Voting Link

A **unique voting link** was sent to your registered **Mobile (SMS from EPOLLS-S)**. Tap or click it — the voting page opens in your browser, no app needed. Cannot find your voting link?, [click here to generate it](#).

[Check Spam](#) · [Promotions](#) · [Other folders if not found in inbox](#)

2

Verify Yourself with OTP

Generate your unique **8 digit OTP** on registered mobile number via sms. Enter & Submit to confirm your Identity.

OTP sent via SMS on the registered number may go into Spam Folder / Promotional Folder / Other Folder — check there too.

3

Select Your Candidate

Review the ballot carefully. **Tap your preferred candidate** for each position. Page will reconfirm your selection before submitting the vote — your choice is completely private.

4

Submit & You're Done

Tap **Submit Vote**. A green confirmation screen appears immediately. A confirmation is also sent to your registered mobile.

Once submitted, your vote cannot be changed or recalled

Frequently Asked Questions

Quick answers to what members ask most before voting.

1. I didn't receive my OTP on mobile. What should I do?

Follow these steps in order:

- Check your SMS inbox, Spam, Blocked Messages, Promotions, or Other folders.
- Make sure your mobile has proper network signal.
- Wait at least 2 full minutes — SMS OTPs can be delayed due to mobile network congestion.
- Only then click **Resend OTP**.
- Use only the most recently received OTP.
- Delete older OTP messages first to avoid entering an expired OTP.

If still not received, contact n-Gauge support via WhatsApp at **+918169667040**.
