Message

Dear ISAians,

Greetings from the ISA National Head Quarters!

The ISA flame event was announced to take procession over a fortnight from 1st to 14th October 2022, with a message to light the spark of ISA in our hearts and celebrate the pride of being identified as an 'ISAian'. With the blessings of the almighty and the stalwarts of our organisation, we were successfully able to execute the brilliant idea of carrying the torch, bearing the ISA flame through all the state and city branches of ISA.

The ISA flame, which symbolises the relentless service of the anaesthesia fraternity towards patient welfare and the society at large, infused the spirit of solidarity amongst all those who had the opportunity to hold this epitome of courage and bravery in their hands. Each ISA state chapter received its flame dispatched to them by the ISA National Headquarters. It was then relayed amongst their constituent city branches along a predefined route map. It was enthralling to see the reception of the flame as it arrived in different cities and marked the conduct of various public awareness programmes under the campaign 'Know about anaesthesia, know your anaesthesiologist'.

There were demonstrations by the anaesthesia residents and consultants about the role of anaesthesiologists in various healthcare settings, including trauma and emergency, operation theatre, labour and delivery, intensive care, and pain management centres. The keenness and enthusiasm with which the general masses engaged in all these activities were awe-inspiring. This freshly sparked enthusiasm was harnessed by some city branches to train the layperson to initiate a structured response towards a favourable outcome in the event of a medical emergency through the compression-only life support programme. This was followed by walks and marches with educational slogans about anaesthesia and anaesthesiologists.

These concerted efforts on the national scale proved to be remarkable in bringing together anaesthesiologists as a collective and unified voice to advance patient welfare and public interest. After this very productive public awareness initiative, the valorous ISA flame arrived in the heart of the nation with the honourable office bearers of various ISA state branches.

To culminate the ISA flame event in a decorous manner, a walkathon was organised at the 'Kartavya Path', India Gate. All the dignitaries present at the conference venue, along with the office bearers and other member anaesthesiologists of the organisation, dressed in the blue ISA T-shirts and entranced by the beats of the 'Bhangra' (a popular folk dance of Punjab), started their march towards the India Gate. It was indeed a captivating sight - the eminent and dynamic anaesthesia fraternity of the nation marching on the 'Kartavya Path', holding the ISA flame in their hands, raising the ISA flag high, and bearing the ISA logo on their hearts. It sent out a loud and clear message across the world that the ISA stands stronger than ever as a unified force striving for excellence. It conveyed the grit of the 'ISAIans', their capability to broaden their horizons, and their readiness to be global leaders in the glorious field of anaesthesiology.

We are ISAIans,
Not because we are in ISA,
But because ISA is in us.
